

## 2024 4th Annual St. Patrick's Day Charity Pickleball Tournament

Held Friday, March 15 & Saturday, March 16 @ Old Schoolhouse Park (Adrianna)

Thank you to all the players and volunteers who made this year's St. Patrick's Day Pickleball tournament such a success. We hope all our participants had a fun time while raising money for a great cause. Between player registration fees and a matching anonymous donor, we were able to donate almost \$8,000 to Memory Matters, (<https://www.mymemorymatters.org/>.) Memory Matters offers professional memory care programs, support, and services for caregivers and individuals living with Alzheimer's or other forms of dementia while providing brain health education to the community.

Thank you to Jim Lawrence (right)  
for singing and playing the National Anthem  
on his ukulele to open up the tournament for us.

Our tournament coordinators  
Lorraine Suger and Russ Fiore.

We can't thank Russ Fiore  
enough for running this tournament for us.  
Russ vacations on Hilton Head just a few  
months each year and  
he spends much of that time  
organizing this tournament.

Thank you to pickleball member, Larry Jacquemotte, for organizing WHHI TV to do a segment highlighting our tournament. They did an awesome job. You can watch the video here.
